NOTES

This edition of the Army National Guard Register is an alphabetical listing of all officers and warrant officers, active and inactive, of the National Guard of the United States, as of 31 December 1951.

The information contained herein has been compiled from the data submitted by each individual in his application for Federal recognition, and claims of prior service have been verified from the appropriate office of record in the Armed Forces of the United States and the offices of the Adjutants General of the several States, Hawaii, Alaska, Puerto Rico and the District of Columbia.

The individual data is presented in two parts. The first part shows certain essentials of biographical data, including graduation from colleges and universities listed as accredited by the U. S. Office of Education, military decorations bestowed by the United States from the commendation ribbon upwards, branch, grade, and date of acceptance of latest NGUS appointment, and service number. Graduation from certain Army and Air Force service schools of more than the briefest duration is also indicated. The second part, following a double hyphen,--, indicates all service which is creditable for increase in pay for length of service, as provided in AR 35-1110, 25 May 1950.

In this latter portion, pertaining to pay, Federally recognized service in the National Guard, commissioned or enlisted, is shown without being inclosed in parentheses. Service in the ERC or ORC, USNR, etc., is shown in parentheses, with the active and inactive duty periods shown by the terms "active" and "inactive". The portions of Federally recognized enlisted or commissioned service which were in the active military service of the United States are also inclosed in parentheses, preceded by the letter "F". In the case of those individuals who are currently in the active military service, the parenthesis is not closed.

Active duty for training, under the provisions of Sections 94, 97, and 99, National Defense Act, is not shown but this service is a matter of record in the files of the National Guard Bureau, and is furnished when requested for support of retirement claims under PL 810, 80th Congress, within 3 months of the individual's sixtieth birthday.

While the closing date for this edition is 31 December 1951, it will be noted that some individuals who have entered the active military service since that date are so indicated.

The military terms, abbreviations, and symbols used herein are in conformity with SR 320-50-1, 28 October 1949, as amended.

Errors and discrepancies should be reported by individual officers through channels to the Chief, National Guard Bureau, Attention ARPR.
